As an authorized representative of the above named facility, I affirm under penalty that the information displayed on this form is correct to the best of my knowledge. Additionally, I recognize that I am responsible for assuring that the facility is in compliance with all sections of 6 NYCRR Parts 612, 613 and 614, applicable sections of 6 NYCRR Subpart 360-14 (used oil tanks only), not just cited below:

- The facility must be re-registered if there is a transfer of ownership.
- The Department must be notified within 30 days prior to adding, replacing, reconditioning, or permanently closing a stationary tank.
- The facility must be operated in accordance with the code for storing petroleum products.
- Any new facility or substantially modified facility must comply with 6 NYCRR Part 613.
- Any new facility or substantially modified facility must comply with 6 NYCRR Part 614.

This certificate must be signed and posted on the premises at all times, must be at the tank, at the entrance of the facility, or the main office where the tanks are located.

Any person with knowledge of a spill, leak or discharge must report the incident within two hours (1-800-457-7362).
